WORLD YOUNG INVENTORS EXHIBITION 2018 (WYIE)

Greetings from MINDS!

The World Young Inventors Exhibition (WYIE), organised by the Malaysian Invention and Design Society (MINDS) will be held concurrently with the 29th International Invention, Innovation & Technology Exhibition (ITEX 2018 from 10-12 May 2018 at the Kuala Lumpur Convention Centre (KLCC), Malaysia. The theme of ITEX 2018 is “**IGNITE YOUR CREATIVITY**”.

The World Young Inventors Exhibition aims to provide young inventors with the opportunity to showcase their inventions amongst their peers from all over the world. MINDS encourages young Malaysians, especially school students from all states in Malaysia to participate in this prestigious and exciting event. Participants are eligible to win trophies and medals. All participants will receive a certificate of merit. The Best Young Inventor from Malaysia at WYIE under each age category will be sponsored by MINDS to participate in an overseas international young inventors' exhibition.

Participation in WYIE is open to students from the following age groups:

- a) Primary (students aged 12 years old and below - as at 1st January 2018);
- b) Secondary (students aged between 13 - 17 years old - as at 1st January 2018)
- c) Tertiary (students aged between 18 - 22 years old - as at 1st January 2018)

The registration fee of RM901.00 (inclusive of 6% GST) for each invention will include participation in the exhibition and the WYIE competition, shall be paid by the participants upon registration. Interested schools are advised to register their students through ITEX website at www.itex.com.my before **9 March 2018 (Friday)**.

On behalf of the organising committee, we invite all schools with creative and talented students to take part in the World Young Inventors Exhibition 2018 (WYIE 2018). The experience and exposure the participating students can gain from the exhibition is immeasurable.

Please feel free to contact Ms. Mei Lyn, MINDS Secretariat, at 03-7118 2062 for further details.
